## "The Ultimate Recare Visit"

AGD Course Code #490

The recare visit is one of the major staples in the dental practice. It is integral to practice success. This program will discuss methods of achieving "The Ultimate" in a recare visit.

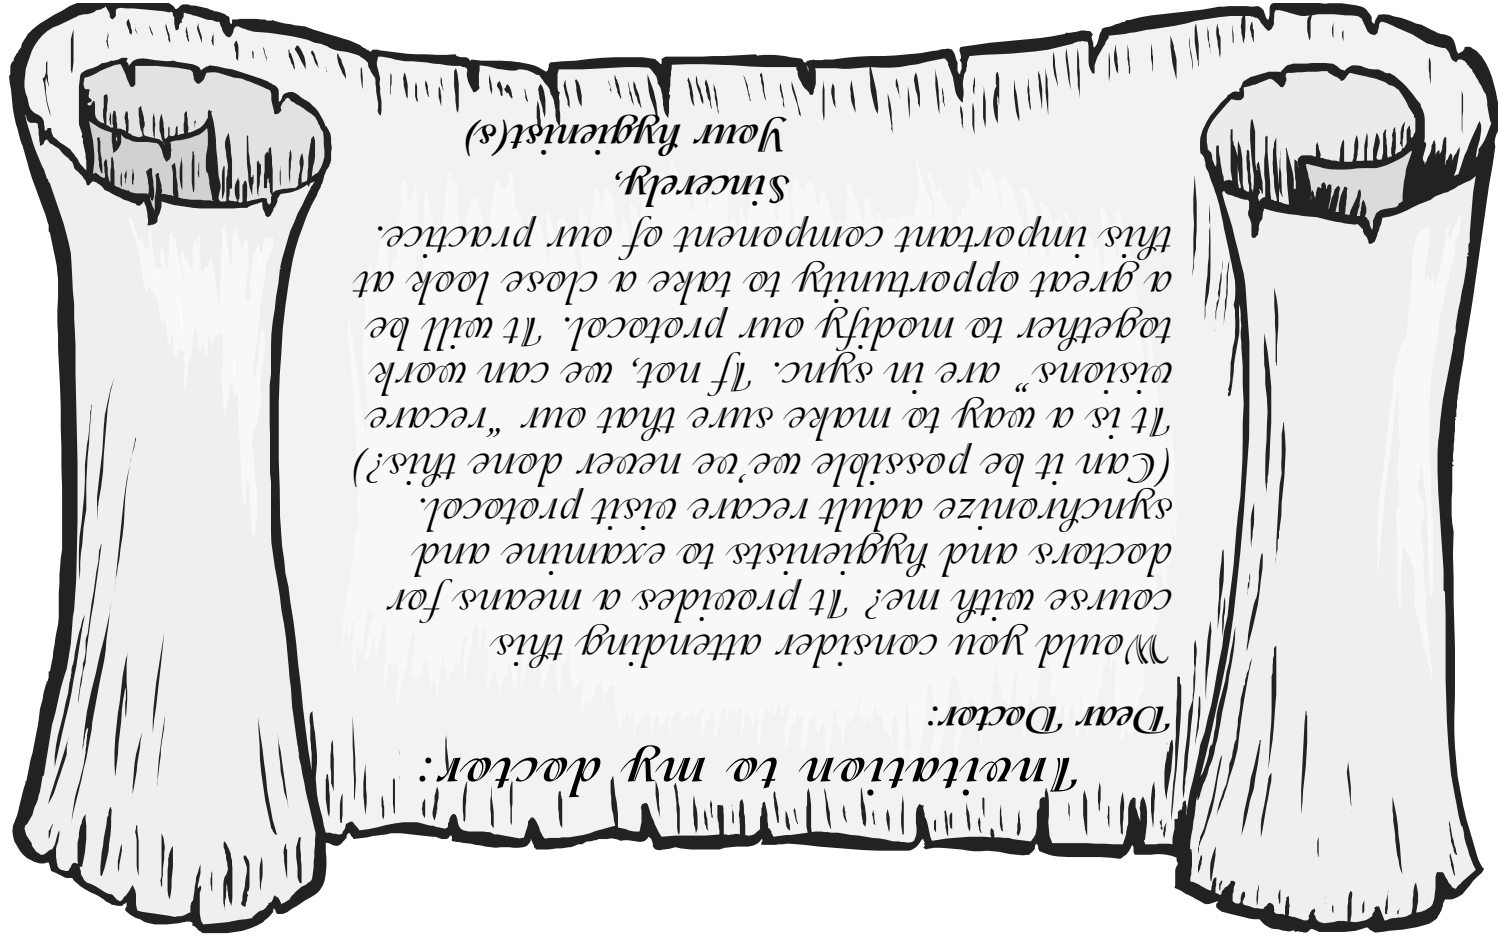

This seminar asks doctors and hygienists to communicate and to synchronize their objectives as well as the rationale behind each step of the protocol. Clinical decisions are a collaborative effort between doctors and hygienists. Supporting research as to current cutting edge concepts in clinical practice management will be presented.

In difficult economic times, it becomes critical to distinguish your recare visit. Emphasis will be placed on integration of service-oriented philosophies into every aspect of the recare appointment. Examples of superb protocol and services will be provided and discussed.

<b>Tuition:</b> Lecture plus Lunch/Learn Workshop 9AM-4PM (\$120) or Webinars (lecture only) 9AM-11AM Parts 1&2 (\$60 total) (7 credits lecture/lunch/learn) (4 credits webinar 1&2). Pennsylvania state boards of dentistry accept CE courses that are directly related to dentistry and offered by an approved PACE provider of the Academy of General Dentistry. About Face Dental Consulting is designated as an Approved PACE Program provider by the Academy of General Dentistry, for FAGD/MAGD credit. 6/1/2007 to 5/31/2010. This program has been presented and accepted in Pennsylvania since 2004.	 <b>PACE</b> <small>Program Approval for Continuing Education</small>

**Course Objective:** The purpose of this course is to enable participants (doctors and hygienists), to design and implement, an ultimate recare experience for their patients that reflects the unique philosophy of their practices. Clinical protocol will be thoroughly examined, as well as the rationale for each segment of the protocol. Every participant leaves with the information and inspiration to make practical applications immediately.

PM Interactive "Ultimate Recare Lunch/Learn Workshop" (3 hours): The afternoon discussion affords participants the opportunity to hear from others on hygiene challenges. Additional material will be presented, as well as a problem solving session with emphasis on reaching positive solutions. Program includes coffee/tea/bagels in the AM, and boxed lunch during workshop. All hotels offer complimentary parking.

## TESTIMONIALS:

"Eileen, your enthusiasm is contagious. Tonight's program made our hygiene department realize a serious need to systematize our hygiene protocol. Thank You!" *Anita Kochis, RDH, Boonton, NJ*

"Eileen, the best surprise for me was hearing how much Dr. V. got out of the program. This is the man who didn't think he'd learn anything new from a hygienist speaker!" *Lois McNamara, RDH, N. Kingstown, RI*

"I simply believe that your seminar would be so beneficial to so many doctors...This is a fantastic across the board seminar that is more beneficial to my practice than learning about bone-generating implant placement. You deserve to have a huge following." *Erika Smit, DDS, Long Island, NY*

"Loved the personal stories, shows you are truly hands on..." *anonymous comment, Taunton, MA*

"That was by far the most enjoyable and most informative CE course I have taken."  
*Susanna Henry, RDH, Parsippany, NJ*

"You gave a very dynamic, thought provoking course." *Dr. Peter & Claire Baragona, RDH, Parsippany, NJ*

"You bring class to the hygiene visit; it is much appreciated. Too often, our work can feel like that of a cleaning lady....your course brings it all to a new level." *Lori Saporito, RDH, Hopewell, NJ*
